Dear Fancy Flush Team,

REGARDING: LETTER OF APPRECIATION – MOBILE SANITATION LOGISTICS AT THE 35TH ANNUAL RELAY RACE

MINES RESCUE SERVICES *South Africa* would like to extend our sincere gratitude to **Fancy Flush** for your outstanding service and for providing the mobile sanitation facilities during the **35th Annual Proto Relay Race and Fun Day**, held on **Saturday, 5 September 2026**.

An outdoor family event of this magnitude relies heavily on top-tier infrastructure, and the amenities you provided were essential to its operational success. We highly appreciate your team's reliability in delivering, setting up, and maintaining your high-quality, luxury mobile toilets. Ensuring clean, comfortable, and well-managed facilities played an important part in looking after our [Rescue Team Members](#), their families, and our guests, allowing everyone to focus on the spirit of camaraderie and companionship.

The mining industry continues to face significant strain, which is why we place such a high value on expert service providers who take hands with MRS. Your professional execution and exceptional standards of hygiene directly support the smooth running of our proud Proto tradition.

We trust your operational crew enjoyed the unique and lively atmosphere of our race day. We look forward to our ongoing relationship and will undoubtedly turn to Fancy Flush for our future logistical needs.

Thank you once again for your excellent setups, your efficiency, and for helping make the day a resounding success.

Yours faithfully,

JAW FOURIE
CHIEF EXECUTIVE OFFICER
